

NOVA SCOTIA UTILITY AND REVIEW BOARD

NOTICE OF APPLICATIONS

Notice of Applications by **BEAR HEAD LNG CORPORATION INC. and BEAR PAW PIPELINE CORPORATION INC.** for Extension of Permits to Construct a **Liquefied Natural Gas Plant, Pipeline and Related Facilities**

The Nova Scotia Utility and Review Board (Board) has received an application from Bear Head LNG Corporation Inc. (Bear Head) to extend a Permit to Construct a Liquefied Natural Gas Plant (LNG Plant) near Bear Head, Richmond County, Nova Scotia, which was originally issued on June 6, 2006, and amended on March 13, 2015.

The Board has also received an application from Bear Paw Pipeline Corporation Inc. (Bear Paw) to extend a Permit to Construct a Pipeline and related facilities to the Bear Head LNG Plant, which was originally issued on September 7, 2016;

Bear Head and Bear Paw seek no changes to the proposed LNG Plant, Pipeline and related facilities authorized by the Permits to Construct, nor do they seek any change or modification to the terms and conditions of the Permits to Construct other than that the new term end December 31, 2022.

The Board's role in this matter, under the *Pipeline Act*, *Energy Resources Conservation Act*, the *Gas Plant Facility Regulations*, and the *Pipeline Regulations (Regulations)*, is to consider issues of public safety only. The Board's mandate does not include environmental matters, nor is it the economic regulator of Bear Head and Bear Paw. The Board's expert Certifying Authority under the *Regulations* will review, make recommendations and certify the safety of the proposed design, construction and operation of the LNG Plant, Pipeline and related facilities. The Board may issue an extension of the respective Permits to Construct with any necessary conditions.

Copies of the Applications are available for viewing at the Office of the Board, Summit Place, 1601 Lower Water Street, 3rd Floor, Halifax, Nova Scotia. The Applications are also available on the Board website at: www.nsuarb.novascotia.ca (Matter No. M09443 and M09444) and on the Bear Head LNG Corporation Inc. website at www.lnglimited.com.au

Anyone wishing to comment on the Applications to Extend the Permits to Construct may make written comments by sending a submission to the Board **on or before November 8, 2019** at: Nova Scotia Utility and Review Board, P.
