US DEPARTMENT OF ENERGY AUTHORIZES MAGNOLIA LNG NON-FTA EXPORTS

Liquefied Natural Gas Limited (**ASX: LNG, OTC ADR: LNGLY**) (**LNGL or the Company**) is pleased to announce that the US Department of Energy (**DOE**) has announced today its decision granting LNGL's Magnolia LNG Project authorization to export liquefied natural gas from the proposed facility in Lake Charles, Louisiana, USA to countries with which the United States has not entered into a free trade agreement (non-FTA approval).

Greg Vesey, LNGL Managing Director and CEO, advised, "Our Magnolia project team is very pleased to have successfully received this final piece of the regulatory framework enabling our Magnolia LNG project to export US-produced natural gas to the global energy market. We recognize and appreciate the hard work and timely efforts put in by the DOE and other cooperating agencies in reaching this decision. Going forward, we are well underway in progressing on the final offtake milestones to enable us to move this leading energy efficient, innovative and low cost project into the construction and operations phases."
